To spread voter awareness, promoting voter literacy and voter education, a flagship program of the Election Commission of India named SVEEP(Systematic Voters Education and Electoral Participation Program) has been organised by the NSS of SBPM, Samantiapalli in collaboration with the block Office, Patrapur. The primary goal of the program is to build a truly participative democracy in India by encouraging all eligible students to vote and make an informed decision during the election. Sri Ramakanta Choudhury, GPO and Ms Pranati Purohita, APO of block were attended as the resource person of that occasion. They elaborately explained regarding the registration of names in electoral roll, connect the existing particular in electoral roll and deletion of names of shifted and deceased family members. Two volunteers one from boys and one from girls were chosen as the ambassador to take the responsibilities of the students. They were Sonalika pradhan and Nitesh Pradhan. As a result, within a month more than 50% of the students of +31st year have registered their names in the electoral roll and many staffs corrected their existing particulars. This was an effective voter awareness programme which was successfully coordinated by the NSS Pos under the guidance of the principal, Sri M.R.Acharya.
